

# Day 2: God Chose Everything About Me

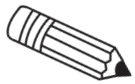

A potter uses a special machine. There is a small foot pedal (like a bike pedal) that turns a wheel (a flat circle). A potter shapes the clay with his hands as he turns the wheel around and around.

*(If possible, find a video of a potter working with clay on his potter's wheel.)*

Jeremiah was one of God's messengers in the Bible. One day he watched a potter working. Jeremiah wrote about that day. He said,

"So I went down to the potter's house, and there he was working at his wheel. And the vessel he was making of clay was spoiled in the potter's hand, and he reworked it into another vessel, as it seemed good to the potter to do." (Jeremiah 18:3-4)

**Draw** a picture of what you would make if you were a potter.

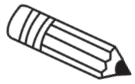

A large rectangular box with a dashed border, intended for a child to draw a picture of what they would make if they were a potter.

The potter gets to choose what to make and how to make it. He's the one in charge of the clay.

**God chose everything about you when he made you. He is the one in charge.**

**God imagined everything you would be good at. He imagined everything you would enjoy.**

**Then he went to work making you just that way.**

What did God imagine when he thought of you?

**Circle** any words that describe you.
